

M&M Pump and Supply, Inc. Announces Crawford County Store Opening

Oblong, Illinois, January 2010

M&M Pump & Supply, Inc., a leader in the supply, repair and servicing of oil and gas field and industrial products and equipment in the Illinois Basin, announced the opening of its latest location in Crawford County, Illinois.

The Crawford County addition marks M&M's seventh store and tenth location in the Midwest. M&M also operates Illinois supply stores in Clay City, Mattoon, Bridgeport and Grayville, as well as stores in Carlisle, Indiana and Henderson, Kentucky. The new store will stock an extensive inventory of supplies for oil and gas field, industrial, mining, municipal and agricultural customers.

Since DN Partners invested in the company in May 2007, M&M Pump has closed three acquisitions and expanded from two to ten selling locations, throughout three states. Vice President Scott Buerster commented, "We continue to successfully execute our growth plans to meet the ongoing needs of our customers throughout the region."

The Crawford County Store is located at 4737 E. 1050th Avenue in Oblong, IL. 618-592-3400.
